Safe Transport Policy

The Tea Tree Gully District Cricket Club recognises that drink-driving is illegal and hazardous to both the wider community and potential offenders. The club also recognises that as providers of alcohol under a liquor license we have a duty of care to all patrons and members visiting the club venue.

The Club recognises the importance in holding a liquor licence in the value it adds to the club, enabling it to generate income and hold social functions. In doing so the club shall also ensure our members are aware of this policy and are encouraged to make alternative transport arrangements when drinking alcohol at the club.

Accordingly, the following safe transport policy shall apply for all functions undertaken by the Club.

General

- The club will display standard drink posters / cards to help patrons recognise what standard drinks are and the implications on drink driving
- Only serving alcohol according to the legal requirements of the current TTGDCC Liquor Licence.
- Bar staff shall encourage members and visitors to make alternative safe transport arrangements if they are considered to exceed .05 blood alcohol concentration.
- In specific cases, where a designated driver who has been nominated by the club and that person has accepted the responsibility to drive others home safely, will be provided non alcoholic drinks free of charge by the club.

Bar Staff

- Bar staff shall encourage members and visitors to make alternate safe transport arrangements if they are considered to be “intoxicated” or at risk of exceeding .05 blood alcohol concentration. e.g. free call to a taxi/friend/family or other arrangements such as a designated driver.

Bar staff will promote low alcohol liquor and other non-alcoholic drinks to consumers.

Transport Arrangements

- Telephone calls will be made free of charge to person’s wanting to arrange a taxi or call another person (friend/family) to provide transport from the club.
- Contact telephone numbers for taxi services (where available) will be displayed clearly alongside the club telephone or in a prominent location in the clubrooms e.g. - at the bar or at entry/exit doors.

Policy Review

- This policy will be reviewed annually to ensure it remains relevant, practical and that it reflects community expectations and legal requirements.
